Call for papers for MNS 2017 Special Issue in CNS Neuroscience & Therapeutics

Dear MNS members:

We are very happy to inform you that **CNS Neuroscience & Therapeutics** (CNSNT) by Wiley will dedicate a Special Issue to our latest Meeting MNS 2017 edited by the Presidents of the Local Organizing Committee, Prof. **Giuseppe Di Giovanni**, Prof. **Vincenzo Crunelli** and Prof. **Giacomo Rizzolatti**.

CNSNT focuses on key issues in central nervous system diseases and provides a medium for publication of original research papers, timely reviews and reports of novel findings of therapeutic relevance.

We plan to publish a special issue entitle 'Interdisciplinary Approaches for Neuropathology' in December 2017 consisting of **a cross-section of papers presented and discussed at MNS 2017 Meeting in Malta**. On account of your solid academic background in these fields, we would like to invite you to submit a review or an original article to this special issue by the end of October 2017. Please submit your paper at: <http://mc.manuscriptcentral.com/cnsdr>. If you have any enquiries, please feel free to contact giuseppe.digiovanni@um.edu.mt.

We look forward to your submission and wish you every success in your research work.

Best regards,

Guest Editors

Giuseppe Di Giovanni, Vincenzo Crunelli and Giacomo Rizzolatti
